

Pancho Pérez

As General Manager for SunEdison in Europe and MENA, Pancho Pérez oversees and directs all business development activities and is responsible for all commercial, operational and financial performance and deployment teams throughout Europe, Middle East and North Africa markets.

Pérez has gained substantial experience in managing international operations. Prior to joining SunEdison, he worked at Universal Pictures International Entertainment, the media branch of GE, a 1.5 billion dollar business operating directly across 25 countries. He last served as CFO of the company and before that as VP and CFO for Europe. He also served as Finance Director at Universal Pictures Italy and Universal Pictures Brazil. Pérez has accumulated a vast experience in leading and managing start ups as well as taking businesses on accelerated growth paths.

Pérez earned a BA in International Business and an MBA from Universidad Pontificia de Comillas in Madrid, Spain.
