

Kevin Lapidus

Kevin Lapidus is senior vice president and general counsel for SunEdison.

Lapidus was most recently the senior vice president and general counsel of YellowBrix, Inc., a provider of real-time competitive intelligence services, news and research information. Prior to YellowBrix, Lapidus was the senior vice president and general counsel of OneMain.com Inc., a Nasdaq-listed Internet access provider. Lapidus has also been an attorney with Hogan & Hartson LLP and Hale and Dorr LLP in Washington, DC.

Lapidus earned his undergraduate degree from Washington University in St. Louis and earned his law degree from Harvard Law School.

Lapidus is a member of the Board of Directors, and a past-president for the Washington Metropolitan Area Corporate Counsel Association.

Sun Edison LLC is North America's largest solar energy services provider, and operates across a global marketplace. We deliver predictably priced solar energy services to complement your existing utility services. Unlike other solar companies, SunEdison provides a fully managed service; we finance, install, operate, monitor and maintain photovoltaic power plants for our commercial, government and utility customers without the high capital outlays traditionally associated with solar energy. The company headquarters is located in Beltsville, Md.
